

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **National Republic Bank of Chicago v Snehal Patel**

Docket No. **284040**

L.C. No. **06-044798 CK**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because a MCR 7.202(6)(a)(i) final order has not been entered in the case. Plaintiff sued and served twelve defendants with a complaint. MCR 7.202(6)(a)(i) requires that an order be entered adjudicating the rights and liabilities as to all defendants but no circuit court order has been entered disposing of defendants Sunil Patel and Sangitaben Patel.
